

Are you really supporting the troops and our veterans?

Just saying, "I support the troops and our veterans," is not the same as actually doing something. Many people *claim* to support the troops and our veterans; however, if they really did, the dance at the Veterans Memorial Hall at Royer Park in Roseville would have a larger attendance. The American Legion Dance held from 7 to 10 pm on the first Friday of each month features Ballroom, Latin, Swing, and Night Club dances with DJ Bob Wayman for \$8.00. The public is invited and singles are welcome. There's a great dance floor, good parking, no host bar, soft drinks and snacks. Come dance and make new friends. The Veterans Hall is located at 110 Park Drive in Roseville. A map is available at <http://www.caribob.net/dance1.html>.

Proceeds of funds raised are used to support veterans who need assistance and veteran's hospitals and retirement homes at Mather, McClellan, Reno VA Hospital and Yountville. The American Legion donates to the USO at Travis AFB and to the Blue Star Moms who send packages to our troops overseas. They conduct funeral services for veterans' families who request them, Memorial Day ceremonies at the Roseville cemetery and the Veterans Day Ceremony at the Roseville Memorial Hall as well as many other patriotic events like parades and flag raising ceremonies. Dave Ramsey is the American Legion Commander (916) 783-7267.
