

## Obama Interrupted at University of Maryland by 'Pro Life Moderate' Yelling: 'Liar!'

**COLLEGE PARK, MD, Sept. 17** /Christian Newswire/ -- Obama's speech was interrupted today by Andrew Beacham, 26, member of Operation Rescue Insurrecta Nex, saying,

"You are a liar! Your health care kills children! Abortion is murder! And you are a murderer! Insurrecta Nex!"

Andrew Beacham, of Arlington, VA, has been arrested "prophesying" to Mr. Obama at Notre Dame's commencement; to the senate judiciary committee's interview of Sonia Sotomayor; and Howard Dean's town hall meeting with Jim Moran of Virginia's 8th District.

Mr Beacham states:

"I am like the boy who said the Emperor is naked. There is still abortion funding in H.R. 3200, we are not fooled by Obama's empty rhetoric. He lies with a smile and the common folk are either believing him, or ignoring his lies to protect their own selfishness."

Outside, the rest of the organization did street theater and skits. They have been demonstrating and preaching every morning in front of various congressional offices. Later, Operation Rescue Insurrecta Nex members held signs of the victims of abortion outside Sidwell Friends High School.
