When: Thursday, Oct 29, 10:30 A.M.

After lobbying and performing skits this morning in front of the Cannon Office Building, 10 pro-lifers (two dressed as Nancy Pelosi and Harry Reid burning in hell and three dressed as hellish demons) attended the unveiling of the House Democratic Caucus's health care bill. Three (Randall Terry, Dick Retta, and Joan McKee) were arrested for shouting, "Nancy Pelosi you will burn in hell for this!" and "We won't pay for murder!" No warning was issued before the arrests.

Mr. Randall Terry, responds:

"Hoyer says he wants 'rational discussion.' How can you talk rationally with someone who wants us to pay for ripping unborn babies limb from limb with tax money?"

"Pelosi, Reid, and Hoyer are lying to us. If child-killing wont be funded, why are Hatch's amendments defeated? Why is Pelosi trying to keep debate off the House Floor? Because they are lying -- child-killing is a key part of this legislation."
